

TRANSFER AGREEMENT

Between Landmark College
and
Dean College

1. Dean College guarantees acceptance of an associate degree graduate who has earned a grade point average of 2.5 or higher (on a 4.0 scale) into their baccalaureate degree programs in Business, Arts and Entertainment Management, English, History, Psychology, Sociology and Liberal Arts and Studies. Students interested in majoring in Dance or Theatre are encouraged to apply but not guaranteed admission under this agreement as all dance and theatre applicants must complete an audition as part of the admission process. Students with less than a 2.5 are not guaranteed acceptance under the provision of this transfer agreement, but are encouraged to apply and their application will be considered on a case-by-case basis. Students who are accepted with 60 transfer credits will be classified as juniors.
2. Transfer students will receive academic credit for all college-level courses applied toward the requirements of the associate degree and in which they earned grades of "C-" or higher. A maximum of 90 credits will be accepted for transfer. Students who completed the Landmark College general education requirements with grades of C- or higher will be considered as having fulfilled the Dean College 9-course All-College Core. Precisely how these transferred credits will apply to the specific degree program will be determined once the student declares a major.
3. Non-credit or remedial courses adjudged to be below college level will not be accepted for transfer.
4. It is understood that if a student does not have the foundation or skill to enroll in an upper level course because he/she has not taken pre-requisite introductory courses, he/she will be required to take any necessary prerequisites(s). Therefore, Dean College cannot assure every student the completion of requirements for the baccalaureate degree in four semesters.
5. The Dean College catalog contains all information about degree requirements. Students wishing to plan their associate degree program to ensure meeting prerequisites for upper division courses are encouraged to communicate early with the transfer counselor at Dean College to secure specific information about transfer credits.
6. This agreement will be reviewed bi-annually and may be revised by mutual agreement.
7. The agreement is expected to continue in force indefinitely but may be terminated by either party with not less than one year's notice.
